#### Context for Learning:

During this term we will be learning through our themes of **Let's Explore the World, Coastlines & St David**

**Let's Explore the World** teaches children about atlases, maps and cardinal compass points. They learn about the characteristics of the four countries of the United Kingdom and find out why there are hot, temperate and cold places around the world.

**Coastlines** teaches children about the physical and human features of the coastal regions across the United Kingdom. They learn about safety in and around the water.

**St David** teaches children about who St David was and why he is remembered. They explore Welsh culture and traditions.

**Child Pedestrian Training** will be provided by Kerbcraft, teaching the children about the Green Cross Code.

#### During the Week:
