

# Bryn Deri Primary School Ysgol Gynradd Bryn Deri

## Class Information Summer Term

### Our Class Rules :

- Our Instructions Listen to what other people say and show a welcoming response.
- To help each other and be kind. To reduce, reuse and recycle.
- To follow guidance from our teachers and to try our best.

### Our Four Core Purposes

### Context for Learning: Blood heart

Crimson, scarlet, burgundy, cherry. Blood flows through our bodies in all its vibrant shades of red. Let's explore our circulation system. Now, surgeons, don't be squeamish as we dissect a virtual animal heart and examine the veins, arteries and chambers up close. They all work hard to move blood around our bodies. William Harvey was fascinated with anatomy and made groundbreaking discoveries about valves. I wonder what we might uncover? Why do people give blood? Find out how to keep your heart happy with cardiovascular exercise and healthy food. Kickstart a campaign to spread the word about the damage caused to the lungs and heart by smoking. Hearts pound, flutter and maybe skip a beat. What makes your heart race? Is it a secret? Cross my heart, I won't tell.

We will aim to listen to each pupil reading individually and within Guided Group Reading during the week. Books will be changed during the week if we feel that the pupils are ready to move on. Pupils will also be allocated digital books and maths tasks on Active Learn. Diolch for your continued support.

#### During the Week

PE on Monday and Wednesday. Kit to be worn to school. Most activities will be taken outdoors, weather permitting. Weekly/ fortnight homework tasks set on Goggle Classroom. Personal spelling tasks will be allocated, if you wish to share your work with your teacher you can upload via Google Classroom.

#### We would like your help with

Reading by updating their pupil reading record. By accessing Reading Bugs and sharing the enjoyment of reading. Completing homework tasks together. By sharing personal achievements.
