Our Four Core Purposes

Croeso! Welcome to Dosbarth 4

Teachers: Mr Davies

Teaching Assistants: Mrs Capel & Miss Bents

Context for Learning: Blue Abyss

Grab your wetsuit. We're going deep into an underwater world of incredible coral and mysterious sea creatures. Head to your local aquarium and learn about life in the ocean. Can you pick a favourite fish, plant or animal? What do real divers get up to below the surface? Time to use Minecraft education to create a to scale model of an Orca enclosure, we will make sure it is large enough, is that ethical? Let's discuss! Create a fishy story about exploring an amazing underwater world. Time to go a little deeper into our seas. Take part in our Lego League Explore project and create a model deep sea submarine that can withstand great pressure and travel to the deepest, darkest places on Earth. Make sure you test it first! What are those bright lights in the distance? It's a group of bioluminescent sea creatures. Look closely and create a colourful, 3-D art exhibition when you rise to the surface. Flippers on? Snorkel ready? Let's head into the Blue Abyss.

We will aim to listen to each pupil reading individually and within Guided Group Reading during the week. Books will be changed during the week if we feel that the pupils are ready to move on. Pupils will also be allocated digital books and maths tasks on Active Learn. Diolch for your continued support.

During the Week

PE on Monday and Wednesday. Kit to be worn to school. Most activities will be taken outdoors, weather permitting. Weekly/ fortnight homework tasks set on Goggle Classroom. Personal spelling tasks will be allocated, if you wish to share your work with your teacher you can upload via Google Classroom.

We would like your help with

Reading by updating their pupil reading record. By accessing Reading Bugs and sharing the enjoyment of reading. Completing homework tasks together. By sharing personal achievements.
