## Ysgol Gynradd Bryn Deri

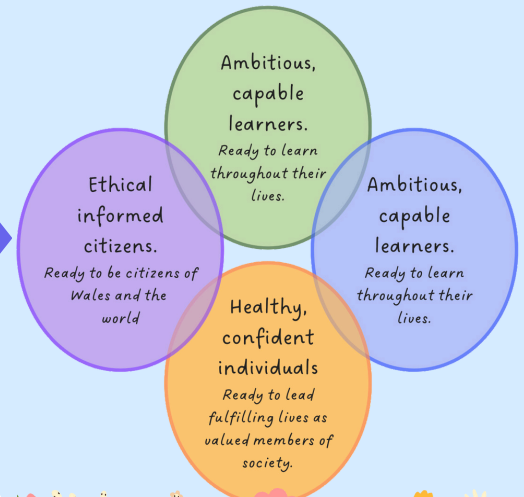

### Class Information Spring Term

#### Our Class Instructions:

- Always help each other.
- No shouting out.
- Always listen to each other and don't talk over each other.
- Be nice 😊.
- Have kind hands towards each other.
- Make sure everyone is included.
- Make sure your friends are happy in school.

#### Our Four Core Purposes

This term, pupils will explore the Arctic and Antarctica, learning about their extreme climates, unique habitats and the animals and people who survive there. They will investigate temperature, ecosystems and global impact, research incredible wildlife, and develop creative writing through descriptions of the Northern Lights and stories set in an Antarctic rescue team. Pupils will also build research skills and reflect on the bravery and resilience needed to live and work in these harsh environments.

- **Mathematics and Numeracy:** Using numbers, measures and data to explore temperatures, distances, maps and patterns in the Arctic and Antarctica.
- **Languages, Literacy and Communication:** Reading, writing and speaking through research, descriptive writing about the Northern Lights, and writing reports regarding ecosystems and climate change.
- **Science and Technology:** Learning about climate, animals, habitats and how living things survive in extreme cold environments.
- **Humanities:** Exploring where the Arctic and Antarctica are, how people live there, and why these places are important to our planet.
- **Expressive Arts:** Creating artwork inspired by icy landscapes, wildlife and the colours of the polar skies.
- **Health and Well-being:** Thinking about resilience, teamwork and staying safe in challenging and extreme environments.

#### During the week:

- PE will be every Wednesday and Friday. Kit to be worn to school. Most activities will be taken outdoors, weather permitting.
- Homework will be sent out weekly on Google Classroom under the Homework sub-heading. If you wish to share your work with your teacher you can upload via Google Classroom.

#### We would like your help with:

- Reading by updating pupil reading records regularly.
- Accessing Active Learn, Maths Factor, Reading Bugs and sharing the enjoyment of reading.
- Completing homework tasks together.
- We continue to participate with 'Show and Tell'.
- Reflection of our children's work, to build resilience and mindfulness that we can learn from our mistakes.
