Class Information Summer Term

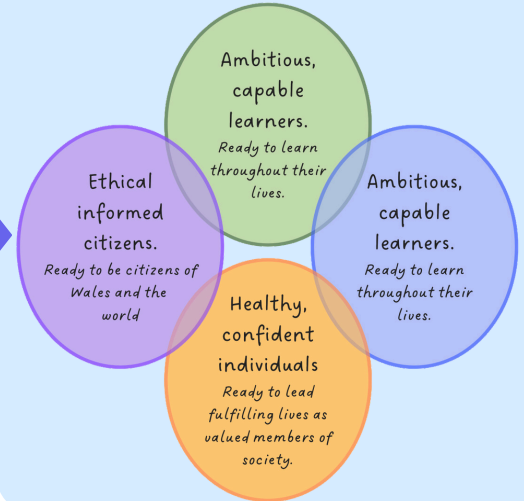

Our Class Rules :

- Have fun
- Try your best
- Respect everyone and everything
- Be polite kind and helpful
- Be healthy: body & mind

Our Four Core Purposes

Our Team:

Mrs Hughes, Mrs Netherway, Mrs Dickens and Mrs Goodridge

Context for Learning:

During this term, we will be learning about 'Healthy Bodies, Healthy Minds' through our themes of 'Burps, Bottoms & Bile' and 'Scrumdiddlyumptious!' Through 'Burps, Bottoms & Biles', we're on a voyage of discovery to investigate the busy world inside our body. Do you have a toothy grin or a winning smile? Learn about our different types of teeth and test the effects of sugary substances on our pearly whites. Follow a tasty morsel as it makes its way through our digestive system, helped by some mouth-watering saliva. And don't forget the importance of good hygiene at both ends. Tuck in and enjoy a yummy journey of discovery, tasting fantastic fruits, venerable vegetables and tantalizing treats. Work up an appetite with delicious stories about food and discover how far foods have travelled to reach our plate! Explore smoothies by taste testing, designing and creating! Discover how good food helps you grow fit and strong and apply for a job in a Café!
