Our active travel pledge

Insert here your pledge for the next 12 months, there are some examples below but feel free to write your own

- *Increase the number of pupils walking, cycling to school at least one day a week*
- *Support teachers to cycle to school one day (if possible)*

What we will do to complete our pledge

- *Ask parents to sign Active Travel Pledge to encourage active travel*
- *To raise awareness of active with pupils embed key stage 2 active travel resources in to the curriculum*
- *Seek funding for and install cycle/scooter parking spaces within the school grounds*
- *Engage parents in a conversation around active travel through parent survey*
- *Participate in Big Pedal - April 2021*
- *Consider a weekly dedicated active travel to school day*
- *Working with Cardiff Council's Transport team to identify highways' improvements to encourage active travel*
- *Application for bike fleet*
- *Complete annual hands up survey every Autumn*
- *Year 6 pupils to participate in cycle training*

How we will know we have succeeded

Increase the number of pupils walking, cycling and scooting to school at least one day a week from 59% to 80%

Increase the number of staff travelling sustainably to school one day a week to 40%
