Dear Parents and Carers,

As you know, we are a Thrive school. We focus on the 'whole child,' specifically social and emotional needs and how to look at behaviour as a form of communication. All our staff are trained each year on Thrive; the neuroscience behind behaviour and practical strategies to use with children.

We are delighted to now have the accreditation to be able to run 'Family Thrive' for parents and carers. This is a six-week course running every Wednesday afternoon beginning on the 8th of June. The course will be led by myself and Miss Bailey in the Kitchen Pod.

Spaces are limited, but we do hope to re-run this course in the future so please do not be disappointed if a space is not available for you at this time. Once you have sent in the form below, please do not assume you have a space – we will let you know if you can be accommodated this time around.

Yours sincerely,

Patricia Evans

Thrive practitioner and ALNCo

I would like to attend the Family Thrive course starting on Wednesday 8th June 2022, and I can commit to attending each week from 1.30pm to 3.30pm

I understand that this expression of interest does not guarantee a space and I hope to hear if I have a space this time around.
