A Thinking Classroom

We use de Bono's Thinking Hats and the Thinking Maps to enhance our learning.

Our Four Core Purposes

Croeso i Dosbarth 3! Welcome to Class 3!

Teachers: **Mrs Hughes & Mrs Knight**

Teaching Assistant: **Ms Capel**

Context for Learning:

During this term we will be learning through our themes of 'Our Planet, Our World' and 'Flow'.

Through 'Our Planet' we will locate countries and cities, and use grid references, compass points and latitude and longitude. We will learn about the layers of the Earth and plate tectonics and discover the five major climate zones as well as finding about significant places in the United Kingdom and carrying out fieldwork to discover how land is used in the locality.

From humble beginnings, the river flows down the mountain and into the sea. Pull on your wellies and wade right in. How deep does it go and how fast does it travel? What soil types can you find by the river? Which animals make their homes there? Let's get down to the river bank and find out. Now hop on an imaginary boat and travel some of the world's most majestic rivers - the Ganges, the Thames, the Amazon and Nile - and keep a journal as you follow their course. Time to investigate. As part of the local news team, it's your task to track down the source of some mystery pollution. Where did it come from and who is to blame? Let's meander through the world of rivers, taking a dip into their watery world.

During the Week:

PE - Dance / Gymnastics / Games:

Tuesday & Thursday

Spellings: Given on Monday, handed in on Friday
