

# GLOBAL WARMING

Info:

You breathe better when you stand by a tree! Global warming is caused by PHENOMENON! Phenomenon means something appearing. The last two decades of the 20th century have been the hottest in the past 400 years!

- Turn off electronic devices when not using!
- Help save EARTH!
- Use more electric powered cars!

- Don't have too much water in your bath!
- Don't drop litter!
- Try to walk not drive a car!

EARTH ☺

BURNING ☹
