## MacMillan Coffee Morning

On September 26th, we are hosting a coffee morning in aid of Macmillan Cancer Support. We would love you to join us from 9:30am to 10:30am in the school hall to enjoy a coffee and a cake. Pupils from Years 2 and 3 have prepared a song or two to keep you entertained.

We understand that not everyone will be able to join us in person, but you can still support our event by donating a cake and/or donating to our fund raising page in the link below.

If you can donate a cake, please either bring it to the school on Thursday 25th of September between 3.30pm and 4pm or on Friday 26th before 9.30am. Please share the link with your family and friends.

If you are joining us on the day please bring family and friends. You will be able to donate using our personalised QR codes.

We look forward to seeing you next week for a brew and a chew and donating to a very important charity.

# Your PTA needs you!

There is not enough space on this page to express the amazing impact the PTA has on the school and the community.

The Parent-Teacher Association (PTA) consists of dedicated volunteer parents who come together to socialise and coordinate various activities for students and the local community. The funds generated from these efforts provide students with experiences and resources that might not be accessible otherwise. Events like school discos, the Christmas Fayre, and fun runs only take place thanks to the commitment of our volunteers.

Below is a link to the PTA page on the school website, which provides more information about the events and their benefits to the school. We encourage you to take a moment to explore the amazing achievements of our wonderful PTA throughout the years.

On **Wednesday 24<sup>th</sup> of September at 6:30pm** in the school hall, the PTA will be holding their AGM, open to existing and new members. Please attend or offer to support our PTA in anyway you can so it can continue to benefit all our learners for years to come.

## Our Vision

A community developing happy, confident, caring and creative children with a positive attitude towards life and learning.
