

Bryn Deri Primary School

Summer 1st Half Term

Newsletter 2026

From Arena Applause to Daisy Trail Days!

As we reach the end of a very busy half term, I would like to say how incredibly proud I am of our whole school community. Our pupils continue to amaze us every day with their enthusiasm, confidence and positive attitudes to learning.

It has been a fantastic few weeks, with pupils performing at the Utilita Arena as part of the Codi Llais Project, representing the school in rugby fixtures and taking part in Lego League competitions. We have also celebrated wonderful class achievements, including Year 1's violin concert and Year 2's visit to Penarth Lifeboat Station, alongside their fundraising efforts for the Little Princess Trust.

Our children have also played a key role in the Radyr and Morganstown Festival, proudly representing the school as flag bearers, Maypole dancers and choir members.

A particularly special highlight has been the opening of our Daisy Trail. This has been made possible through the incredible efforts of the Bryn Deri community, and it marks a truly special moment in the school's history.

As we look ahead to next half term, our thoughts turn to change and transition, especially for our Year 6 pupils as they prepare for secondary school. We look forward to supporting them through this exciting next step.

Thank you for your continued support.

Mr Russell

Headteacher

Gwener Gwych

Keep Up To Date

Stay informed this term:

- Check the school calendar regularly for key dates
- Read our weekly updates every Friday
- Ensure we have your current email for important reminders
- Follow your class via Class Dojo and the school Instagram Account for the latest news and photos

SCHOOL DEVELOPMENT PLAN 2025-26

Collaborating with staff, students, governors, parents, and external agencies, schools consistently assess and enhance their practices. Following a comprehensive self-evaluation process, Bryn Deri Primary School will concentrate on these key areas for improvement.

Improving How We Assess and Support Learning

We are refining how we track progress so every child is challenged and supported at the right level. Lessons will build carefully on previous learning to help all pupils achieve their best.

Strengthening Welsh and Introducing New Languages

We are developing children's confidence in speaking Welsh and introducing international languages to spark curiosity about other cultures and the wider world.

Celebrating Diversity and Children's Rights

We are helping pupils learn about different cultures, beliefs and experiences so that our school community continues to be inclusive, respectful and fair for everyone.

Supporting Wellbeing and Challenging All Learners

We are strengthening our approach to wellbeing and ensuring every child reaches their full potential. This includes providing extra challenge for more able and talented pupils, as well as tailored support for those who face barriers to learning – helping every learner to thrive
