Nursery have been exploring the gym equipment in the hall

Year 3 Make a Splash!

Over the past two weeks, our fantastic Year 3 class have been making the most of an exciting opportunity to develop their swimming skills at Fairwater Swimming Pool. Each afternoon, the pupils eagerly travelled to the pool, ready to build their confidence in the water and improve important swimming techniques.

The progress we have seen in such a short time has been truly impressive. For many children, the sessions provided a chance to strengthen existing skills, from refining strokes to practising breathing techniques. However, for a few pupils, this was their very first experience of learning to swim – and what an achievement it has been! With determination and encouragement, they overcame their initial fears, grew in confidence, and showed great courage in the water. It has been wonderful to see their smiles and sense of pride as the days went on.

Throughout the fortnight, the behaviour and attitude of the class have been outstanding. They approached every session with enthusiasm, listened carefully to instructions, and supported one another brilliantly. Their positive mindset and resilience ensured that every child made progress, no matter their starting point.

The children were a true credit to themselves, their families, and our school. We are incredibly proud of how they represented us both in and out of the pool.

Da iawn Dosbarth Tri! Nofio bendigedig! 🏊‍♂️

Upcoming Events

Details are added to the school calendar regularly on the website and please note that these are all subject to change.

Date	Event
16/06/2026	Oral Health Workshop - Y3
17/06/2026	Sports Day Y3-Y6 9.30am-12:15pm, YR-Y2 1:40pm to 3:15pm

25/06/2026	Radyr Comprehensive Transition Day (Year 6 1/2 Day)
27/06/2026	PTA Summer Fayre

Year 2 and Year 6 Visit to Cardiff Museum

This week, pupils from Year 2 and Year 6 enjoyed exciting educational visits to Cardiff Museum, each taking part in activities tailored to their learning. Year 2 had a fantastic time getting hands-on in a fascinating workshop all about bones and fluids. The children explored how our bodies work through engaging, interactive activities that sparked curiosity and enthusiasm. They also enjoyed discovering the museum's history exhibits, where they learned about the past and saw a variety of interesting artefacts.

Meanwhile, Year 6 took part in an inspiring art workshop, exploring a range of artistic styles from realism to abstract art. The session encouraged creativity and thoughtful discussion as pupils examined how artists express ideas in different ways. They were particularly excited to see real paintings up close and spent time exploring the impressive gallery.

Both year groups represented the school brilliantly and gained valuable experiences that will support their learning back in the classroom. It was a memorable trip for all involved!

Bryn Deri's First Korfball Competition

On Friday afternoon, our school korfball team proudly represented Bryn Deri at the House of Sport in what was an exciting and competitive event.

We entered two teams, both of whom showed fantastic determination and teamwork throughout the competition. Each match was closely contested, with our players battling for every ball and demonstrating great resilience. Their efforts paid off, as they won almost all of their games against strong opposition.

The teams' passing and awareness of space were particularly impressive. Pupils made excellent use of their natural skills alongside the techniques they have developed during training, working together effectively to create opportunities and defend with confidence.

While the final placings are unknown at the time of writing, every player should feel extremely proud of their performance. They represented the school brilliantly, showing sportsmanship, effort, and a positive attitude throughout the event. Well done to all involved!
