We Need Your Bottles!

At Bryn Deri Primary School, our PTA continues to play a vital role in shaping both the spirit and the success of our school community. Over the past year, the dedication of PTA members, alongside the many parents, carers and family members who have supported events, has helped create a strong sense of togetherness that we are incredibly proud of.

Through a wide range of events and initiatives, the PTA has not only brought families together but has also raised essential funds that directly benefit our pupils. These contributions have made a meaningful difference to the experiences and opportunities available within the school.

A major focus in recent years has been the development of the Daisy Trail, which has transformed our outdoor space and provided a wonderful resource for learning and play. Alongside this, the PTA's fundraising efforts have supported a variety of other important projects, including Lego League, music lessons, the MUGA, and equipment for the kitchen pod. These enhancements would not have been possible without the generosity and commitment of our school community.

There are many ways to support the PTA, and every contribution—big or small—makes a real difference. Whether you can volunteer your time, donate items, seek match funding through your employer, or simply attend events, your involvement is greatly appreciated. The PTA has ambitious plans for Bryn Deri, and continued support will help bring these ideas to life for the benefit of all our learners.

Looking ahead to next week, the PTA has identified that bottles are often the least donated items, yet they are among the most valuable for reuse in events. Over the weekend, please take a moment to look through your cupboards. If you have any unopened bottles that you know will not be used, we would be very grateful if you could donate them on Friday.

Finally, we would like to extend a heartfelt thank you to the PTA for all their hard work and dedication throughout the year. Their efforts in organising events and supporting the school make a lasting impact, and we are truly grateful for everything they do.

- Clearer communication of school and class events

THANK YOU for your feedback = it helps us improve!

Parent Feedback 2026

A sincere thank you to all the parents and carers who completed our recent Parental Survey. We greatly appreciate the time and thought you took to share your views and experiences with us.

We have carefully reviewed all of the responses and, working closely with the Senior Leadership Team, have shared the many positive comments with our staff. It is always encouraging to recognise what is going well and to celebrate the strengths of our school community.

Your feedback has also helped us to identify areas where we can continue to improve. This has been discussed with staff and we will continue to work on these priorities to ensure we provide the very best for all our pupils.

Thank you once again for your continued support and partnership with our school.
