

WEEKLY UPDATE

June 26th 2026

Photo of the Week

Year 6 representatives attended the cluster pupil meeting about the Rights of the Child

Costa Del Deri

This week brought some challenging hot weather for the whole Bryn Deri Community. We are incredibly proud of how our pupils and staff worked together to stay safe and comfortable.

Throughout the school, a range of measures were put in place to help keep temperatures down. These included setting up cool foot spas, blocking direct sunlight from windows, limiting time outdoors during peak heat, and sharing air-conditioned spaces where possible. Children were also encouraged to stay well hydrated.

Despite the difficult conditions, our school community showed great teamwork, resilience, and care for one another.

We would like to thank all parents and carers for your continued support during this challenging week.

Upcoming Events

End of Season Football Competition

Our Bryn Deri boys' and girls' football teams recently took part in their final competition of the year at Ocean Way, following what has been an excellent season for both teams.

Both teams have represented Cardiff City in England this season. Once again, they performed to a very high standard against many challenging opponents. Both teams won their morning groups, with the girls reaching the semi-finals and the boys going on to win their competition.

These fantastic results show how much both teams have grown over the year. We are extremely proud of all the players for their effort, teamwork, and sportsmanship—well done to everyone involved!

We would also like to wish our Year 6 players the very best of luck as they move on. We hope they continue to enjoy the game and go on to compete next year for whichever teams they represent. We also know that there are some very eager Year 4 children looking forward to stepping up and competing next year as part of the football team!
