Our Four Core Purposes

Croeso! Welcome to Dosbarth 3

Teachers: Mr Davies

Teaching Assistants: Mrs Goodridge

Context for Learning: Tribe

During this term, we will be learning through our themes of 'Tribe' and 'Festivals & Celebrations'.

Who lived in the Iron Age? What kind of people were they? Explore these questions and more in this special project about the Iron Age Celts of Wales. In this project, children will explore: who the Celts were and when they lived, how they lived, Celtic customs, beliefs and traditions and what happened to the Celts. This will include exploring different clay techniques, which they will use to make and decorate a Bell Beaker-style pot. Through this theme, children will also explore the scientific world of forces and magnetism, metals and materials.

Through our theme of 'Festivals & Celebrations', children will explore religious and non-religious festivals which celebrate light including Christmas and Hanukkah. We will also consider light scientifically looking at different sources. As well as preparing an exciting Christmas performance, children will also take part in the Christmas Enterprise project.

This year it is Bryn Deri Primary School's 50th Birthday, we will dive into how the school looked and some of the similarities and differences between now and then! We are going to be celebrating with a party and an exhibition of some of our artwork and poems!

We will be preparing and performing our Christmas concert and the children will also take part in the Christmas Enterprise project.

During the Week

- Homework diaries needed every day.
- Wednesday & Thursday PE days (wear kit).
- Homework tasks set on Google Classroom or Active Learn, every Friday.
- Bug Club reading and Active Learn maths.

We would like your help with

- Listening to your child reading.
- Ensure they have the correct kit on the needed days.
- Always have a water bottle.
- Help your child with homework set.
- Practise maths skills on a regular basis (e.g. times tables, time, money, measuring).
