A double rainbow over the school grounds on Thursday. Despite some hopeful searching, there was no pot of gold beneath the Peaches' Tower!

Our Trip to St Fagans

Year 3 went on a trip to St Fagans, and we had an amazing day! We saw some roundhouses and went inside Llys Llywelyn. We learned that stories can change when they are told by different people. Then we split into two big groups and made up our own stories. It was really funny because every group's story ended up a little bit different!

We travelled there on a coach with our partners. Some parents came to help us, including my friend's mum, and our teachers came too. We were very excited on the journey and enjoyed looking out of the windows.

After our activities, we ate our lunch together and then played in the playground. One of the best parts of the day was walking around and exploring all the old buildings. There was so much to see and learn about.

My favourite part was going inside Llys Llywelyn and listening to the stories. The walks were great, the weather was lovely, and everyone had a fantastic time. We learned lots about the past and had so much fun with our friends. It was a brilliant trip that we will remember for a long time!

Urdd Girls Football

Our girls' football team recently represented the school at an Urdd football competition in Leckwith. Despite some heavy showers throughout the day, the girls showed great determination, teamwork and resilience, competing enthusiastically in every match and enjoying some hard fought matches throughout the day.

Mr Davies and Miss Bents were extremely proud of the bravery and effort shown by all of the players. The girls represented Bryn Deri brilliantly, displaying excellent sportsmanship and a positive attitude from start to finish. 🏆👏

Bryn Deri's 50th Anniversary

Although Bryn Deri Primary School will officially celebrate its 50th birthday on 1st November, milestone birthdays are too special to be celebrated on just one day. This year, we are spreading the celebrations across a number of events and activities.

This week, pupils across the school enjoyed their own class-based birthday parties, helping to mark this important occasion. We were also delighted to welcome parents, pupils, former staff, ex-pupils and members of the local community into the school to explore the building and reminisce about Bryn Deri's past. It was wonderful to hear so many stories and see old memories being shared.

Thank you to everyone who helped make these events such a success. In particular, we would like to thank our PTA for providing refreshments and helping to create such a warm and welcoming atmosphere for our visitors.

We look forward to continuing our celebrations as we approach Bryn Deri's official 50th birthday on 1st November. Here's to 50 wonderful years of Bryn Deri and many more to come! 🎉🏡
